

COAST SPORTS' FALL CLASSES 2010

Here's what we've got...

Future All-Stars For the younger set who like variety, Future All-Stars presents a smorgasbord of sports and games. Soccer, baseball, flag football, capture the flag, kickball and relay races comprise the menu. It's something different every week!

Baseball Unlike many programs we begin our **Baseball** classes by teaching the kids the field. Seems obvious, but you'd be amazed. We learn the fundamentals and mechanics of throwing, fielding and hitting. Catching's on the back burner because most 4-6 year olds are developmentally not there yet. Who cares? The kids hit, run the bases, roll in the dirt. What could be better?

Intro to Sports (2.5-3.5 year olds) Designed for our smallest jocks, this 50 minute class puts the emphasis on group fun and games. Tag, relays, treasure hunts and of course, soccer. So spread out the blankie and enjoy the show.

Brentwood classes meet at the Barrington Park north baseball diamond
(east side of Barrington behind the post office)

Palisades classes meet at the Temescal Canyon Park
(east side of Temescal Canyon, 100 yards up from PCH)

For registration and information go to www.coastsports.com

Mail checks to:
Coast Sports
463 24th Street
Santa Monica, CA 90402

|---|---------------|-------------|---------|
| | Starting Week | Ending Week | Tuition |
| Fall Session | Mon, Sept 13 | Fri, Nov 5 | \$250 |

CLASSES WILL BE HELD MONDAY OCT 11

Coast Sports' Policies and Procedures

If you don't find something to fit your time frame or location - and you can find six kids - we will do our best to form a class for you.

Payment in full for a session is required before the second class. After the second class there can be no refunds.

If beginning during a session, full prorated payment (\$35/class) is required at the time of registration.

If we cancel classes due to weather, we will make up that day in the week following the end of the session.

If there are no cancellations and you are unable to come to a class during the session, it is your responsibility to come to any other class offered during the session or before the end of week 8.

After a session ends there can be no make-ups. Make-up classes do not carry over into the next session.

For rainy day info call the Coast Sports Hotline (310-451-4220) 30 minutes before class.

We strive to make our program the best and most unique of its kind. Thank you for giving us that opportunity.

Christian, Cooper, Pete, Augie and Steve
